Your ultimate *2-in-1* *360°* Notebook PC.

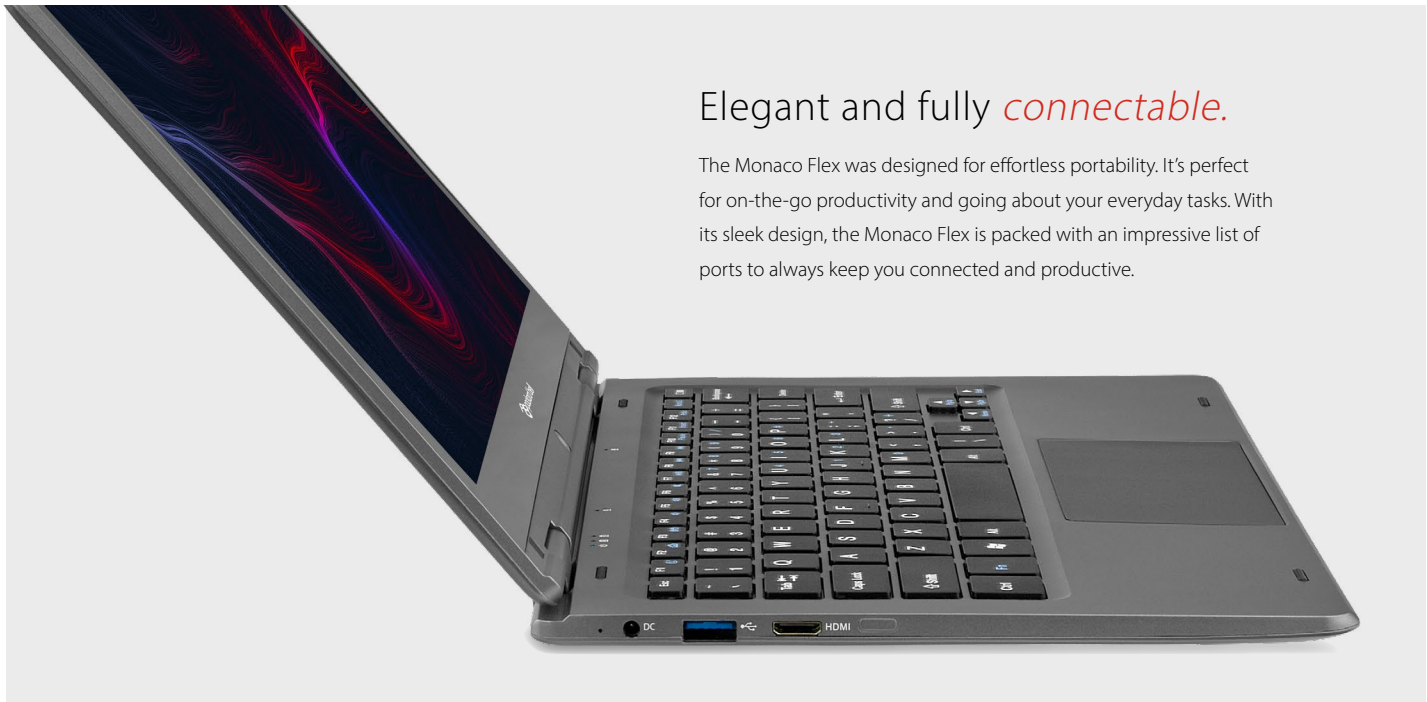

Featuring a 360° hinge, you can use the Monaco Flex Notebook PC as your everyday working tool or as a tablet, and even more. The hinges allow it to be bent entirely backwards providing a flat full-screen experience.

Touch and go. FHD crystal *clear clarity*.

A big 11.6 inch display on a conveniently compact Notebook PC. With its 360° flexible capabilities, the Monaco Flex features a touchscreen giving you the full capabilities and abilities of a tablet. Enjoy the clarity and immersive experience with a Full High Definition crystal clear screen. Work or relax - do whatever you want, wherever you want.

Elegant and fully *connectable*.

The Monaco Flex was designed for effortless portability. It's perfect for on-the-go productivity and going about your everyday tasks. With its sleek design, the Monaco Flex is packed with an impressive list of ports to always keep you connected and productive.
